

# Community Education

## Autism 101 | Understanding & Supporting

Autism 101, a 90-minute workshop designed to equip parents, extended families, and local organizations with essential knowledge about Autism Spectrum Disorder (ASD).

In this comprehensive session, you'll gain valuable insights into communication strategies, sensory sensitivities, and behavioral patterns commonly associated with ASD. Learn how to foster understanding, inclusivity, and meaningful support, whether at home, in the community, or within your organization.

This empowering workshop also connects you with vital resources and other families on similar journeys, helping you build the confidence and community you need to thrive.

## Embracing Neurodiversity in the Workplace

Empower your workplace with our dynamic training. Learn to harness the unique strengths individuals with Autism bring to your team. Gain insights into spectrum traits, inclusive practices, and the untapped potential awaiting discovery.

Equip your organization with the tools to cultivate an environment where every individual thrives. Embrace neurodiversity and unlock the transformative power it holds for your workplace culture and productivity. Join us in fostering a truly inclusive and innovative work environment.

### Additional Notes

- Fees cover presentation, materials, and Q&A.
- Sessions can be tailored for specific industries (education, healthcare, corporate workplace, etc.) at no additional cost.

## Autism 102 | Empowering Your Knowledge

Dive deeper into understanding Autism in our workshop, Autism 102. Take a look at related challenges and concerns, while uncovering the unique strengths and abilities of individuals on the autism spectrum. Gain valuable insights and strategies for fostering success. Whether you're an educator, caregiver, or advocate, this workshop equips you with the knowledge and tools necessary to support individuals with Autism more effectively. Don't miss this opportunity to expand your understanding and enhance your support.

## About Our Trainings

Autism Society offers impactful workshops designed to promote understanding and inclusion. All trainings are led by our Executive Director, who holds an Autism Certificate and brings over 16 years of professional experience in the field, along with her lived experience as a mother of a young adult on the spectrum. Our Program Director also attends the trainings, contributing her certification in Recreational Therapy and a valuable personal perspective as a sibling of an individual on the autism spectrum.

As a nonprofit funded entirely by donations, a small fee helps us cover training costs and continue supporting individuals and families in the autism community.

### Training Fee Schedule (per session)

- 1–25 attendees: \$250
- 26–50 attendees: \$350
